OBITUARY.

Jeremiah Connell.
Jeremiah Connell, aged 18, died at 11.30 o'clock Tuesday evening at St. Joseph's hospital, following a short illness with typhoid fever.
He was taken to the hospital Sunday noon, suffering acutely with the fever, which he had been fighting at his home, 988 Main street, for about a month. An internal trouble developed during his illness at home that demanded an immediate operation, and this was performed Sunday, but the young man's strength was not sufficient to withstand the shock in his already critical condition. There survive a widowed mother, Mrs. Mary Connell; two sisters, Misses Josephine and Mary Connell, and three brothers, John, Michael and Daniel Connell, all of this city.

Mr. Connell was well liked by all who knew him. He possessed a quiet, pleasing disposition, and was a dutiful son and affectionate brother. He was a favorite among local horsemen, and had worked for the City Grocery Store for a time before he became ill.

Surveying Main Street.
City Engineer K. E. Mitchell had a force of surveyors making a survey of Main street Wednesday afternoon from the block which the city would allow the contractors to use in their work of the construction of the American Thread company's new bleach house.

DECLINES RECTORSHIP.
Black Hall Clergyman Not to Come to Local Episcopal Church.

Rev. Franklin S. Moore announced Sunday that he had declined an invitation to take charge of St. Paul's Episcopal church in this city, deciding to continue his work at Black Hall, was the gist of a despatch sent out from that town under a Tuesday date line.

Rev. Richard D. Hatch, rector of the local church, said Wednesday that he had nothing to say concerning it, and a surprise to him to learn that the announcement made, as reported in the despatch.

Rev. Mr. Hatch says that the changes as not made in the Episcopal church, parishes by ministers themselves, but through the sanction of the bishop, and while not always the rule, announcement of changes are usually made by the bishop at Easter time, as well as other matters contemplated or things of particular interest in the diocese.

Rector Hatch would not say whether he had asked for a change of parish. In the event of such a happening at this time, when both rector and parishioners are working for a new church, with prospects bright for the realization of the project, the change would come as a great surprise locally.

A controlling interest in the Argus Battery company has been purchased by Franklin H. Elmore, Jay M. Shepard, C. Anderson and William A. Arnold. At a meeting of the stockholders held Tuesday Alfred Oden, E. H. Spicer and the New York directors resigned, and the above mentioned gentlemen were elected directors in their stead. The business will be conducted under the management of Edward E. Spicer. The company recently acquired quarters on Valley street, removing its plant from New York city here.

J.; Mrs. Sarah Woodruff of Elizabeth, N. J.; and the three Misses Mahoney of Brighton, Staten Island, N. Y. The residue of the estate is given to Rev. F. X. STAFFORD SPRINGS

John Anthony Under \$1,000 Bonds—Charged With Setting Fire to Store—No Change in ex-Mayor Harwood's Condition.

Robert L. Stevenson has returned to Dunkirk, N. Y., after a brief visit with relatives in town.

Placed Under Arrest.
The appraisers, George Foster of Rockville and J. Parker of Hartford, have made their report on the stock of goods of John Anthony, damaged by fire two months ago. They have allowed Mr. Anthony \$800 damages.

Robert T. Hurley of the state police was in town Wednesday and placed Mr. Anthony under arrest, charged with setting fire to the place. The case was adjourned to next Wednesday, when Mr. Anthony will have a hearing in the borough court. Meanwhile he is under \$1,000 bonds.

The fire started from wood which had been placed too close to the stove. Mr. Sullivan forced open the door and put the fire out. The damage is very little.

Condition Unchanged.

Mrs. Fred Willey and daughters, Mary and Harriet, are visiting relatives in Orange, N. J.

MENU POSTED ON DOOR.
Elaborate Bill of Fare to Find in Ansonia Fruit Store.

Nearly every one of the storekeepers who were summoned into court a week or so ago for keeping their places of business open Sundays, kept their establishments closed Sunday, says the Ansonia Sentinel. A number of confectionery stores which serve lunches, the regular lunch rooms and the drug stores were open as usual, but whether they sold anything which other dealers have been prosecuted for selling no one was heard to say. Only two officers were on duty Sunday and the number is likely to be reduced to one before many weeks.

The police appropriation cannot well stand the extra drain of the special Sunday patrol, and while people like to see policemen on the streets and have asked that the service be continued, it will probably have to be curtailed. The stores, which opened ostensibly to serve lunch, made the fact known by signs placed on the outside of the building. At one of the stores on Main street the menu was posted on the front door. It was quite an elaborate one for the place and attracted much attention.
